

## The 1816 Trafalgar Township Assessment

Transcription from the Oakville Public Library Microfilm  
by Fred Blair  
for the Trafalgar Historical Society,  
November 22, 2012.

This transcription was made from set of photocopies from the microfilm. The photocopies and transcription help were provided by Jane E. Watt of Heritage Mississauga. The title, column headings, and most of the columns were not photocopied. Having the Lot and Concession numbers would have been most beneficial. Many of these numbers would probably be the same as those in the 1823 Assessment, which I have included. The transcriber's comments appear in square brackets.

The three columns provided were:
